Everyday Current Account: Terms and Conditions

Harborview Bank plc (fictional). Effective 1 January 2026. Sample data for testing; not a real financial product.

1. About this account

The Harborview Everyday Current Account is available to UK residents aged 18 or over. You must pay in at least £500 in the first 60 days after opening, and the account must be held in your sole name or as a joint account with one other person.

A monthly account fee of £4 applies unless you pay in at least £1,500 each month, in which case the fee is waived for that month.

2. Closing the account

You may close your account at any time by giving us **14 days' written notice** through the app, by letter or at a branch. Any remaining balance will be paid to you within 5 working days of closure. We may close your account by giving you at least **60 days' written notice**, or immediately if we reasonably believe the account is being used for illegal purposes.

If you close the account within 90 days of opening it, any welcome offer paid to you may be reclaimed.

3. Overdrafts

An arranged overdraft is available subject to status. The overdraft is charged at an annual rate of **39.9% EAR (variable)**. No fee is charged for an arranged overdraft of up to £50. Above that amount, interest is charged daily on the full overdrawn balance.

An unarranged overdraft is not available. If a payment would take you over your arranged limit, we will decline it and may charge a **returned payment fee of £8**, capped at £24 in any calendar month.

4. Payments and limits

Payment type	Limit	Processing time
Faster Payments (app/online)	£25,000 per day	Usually within 2 hours
CHAPS	No limit	Same working day if sent before 3:30pm
Cash withdrawal (ATM)	£500 per day	Immediate
Contactless card payment	£100 per transaction	Immediate
Standing orders / Direct Debits	No limit	Next working day

Daily limits can be lowered or temporarily raised through the app. Raising the Faster Payments limit above £25,000 requires identity verification and may take up to 24 hours.

5. Using your account abroad

Card payments in a foreign currency are converted at the Mastercard rate with no additional fee. Cash withdrawals abroad carry a fee of **2.5% of the amount, with a minimum of £2**. ATM operators may also charge their own fees, which we do not control.

6. Lost or stolen cards

Report a lost or stolen card immediately through the app or by calling 0800 000 1234 (24 hours). We will block the card straight away and send a replacement within 3 to 5 working days. You are not liable for unauthorised transactions made after you have reported the card, and your liability for earlier unauthorised transactions is limited to £35 unless you acted fraudulently or with gross negligence.

7. Dormant accounts

If there has been no customer-initiated transaction for 12 months, we will write to you. After 36 months of inactivity the account may be classified as dormant. **No dormancy fee is charged**, but online access is restricted until you verify your identity. Funds are never lost; they remain yours and can be reclaimed at any time.

8. Complaints

If you are unhappy with our service, contact us and we will acknowledge your complaint within 3 working days and aim to resolve it within 8 weeks. If you remain dissatisfied, or we have not resolved the complaint in 8 weeks, you may refer it to the Financial Ombudsman Service free of charge.

9. Changes to these terms

We will give you at least 60 days' notice before making a change to these terms that is to your disadvantage. You may close the account without charge during the notice period.
