Harborview Saver Accounts: Product Guide

Harborview Bank plc (fictional). Effective 1 January 2026. Sample data for testing; not a real financial product.

1. Account range and interest rates

All rates are shown as Annual Equivalent Rate (AER) and are variable unless stated. Interest is calculated daily and paid monthly into your Saver account.

Account	Rate (AER)	Min. deposit	Access
Easy Access Saver	3.60%	£1	Unlimited withdrawals
Regular Saver	6.00% (fixed 12 months)	£25 / month (max £250)	No withdrawals; closes at 12 months
Notice Saver 90	4.35%	£1,000	90 days' notice to withdraw
Fixed Rate Bond 1 Year	4.60% (fixed)	£2,000	No withdrawals until maturity
Fixed Rate Bond 3 Year	4.20% (fixed)	£2,000	No withdrawals until maturity

2. Easy Access Saver

You can pay in and withdraw at any time. The rate includes a bonus of 0.40% that is lost for any month in which you make more than **three withdrawals**. The bonus returns the following month if you stay within the limit.

3. Regular Saver

Pay in between £25 and £250 each month for 12 months. If you miss a monthly payment the account continues, but you cannot catch up later. If you make a withdrawal, the account is closed and interest is recalculated at the Easy Access Saver rate. You must hold a Harborview Everyday Current Account to open a Regular Saver.

4. Notice Saver 90

To withdraw money you must give 90 days' notice through the app. Once notice is given, you may cancel it at any time before the 90 days have elapsed. If you withdraw without serving notice, a charge equal to **90 days' interest** on the amount withdrawn will apply.

5. Fixed Rate Bonds

Your money is locked in until the maturity date. We will write to you 14 days before maturity. If you do not tell us what to do, the funds will be moved into an Easy Access Saver after a **14-day grace period** during which you may withdraw or move them without penalty. Early closure is only permitted in the event of the death of the account holder.

6. Tax on interest

Interest is paid gross, without tax deducted. Under the Personal Savings Allowance most basic-rate taxpayers can earn up to £1,000 of interest tax-free each tax year, higher-rate taxpayers up to £500, and additional-rate taxpayers have no allowance. You are responsible for declaring any interest above your allowance to HMRC. Tax rules depend on your individual circumstances and may change.

7. Deposit protection

Eligible deposits with Harborview Bank are protected by the Financial Services Compensation Scheme (FSCS) up to **£120,000** per person per authorised firm. Joint accounts are treated as belonging to each holder in equal shares.

8. Opening and eligibility

You must be a UK resident aged 16 or over. Children under 16 may hold an Easy Access Saver through a parent or guardian. The maximum balance across all Saver accounts is £250,000 per customer. We will ask for proof of identity and address to meet anti-money-laundering rules.
