3. Rewards

You earn 1 point for every £2 spent on eligible purchases, and 2 points for every £2 spent at participating supermarkets. 100 points are worth £1 as account credit. Points expire after **36 months** and are forfeited if the account is closed or more than two payments are missed in a 12-month period. Cash advances, balance transfers, fees and interest do not earn points.

4. Your credit limit

Your credit limit will be shown on your statements and in the app. We review it regularly and may increase or decrease it. We will give you at least 30 days' notice of a decrease unless we believe you are at risk of financial difficulty or fraud. You may ask us to reduce your limit at any time.

5. Section 75 protection

Under Section 75 of the Consumer Credit Act 1974, we are jointly liable with the retailer for purchases between £100 and £30,000 made with your card. If goods are faulty or not delivered, you may be able to claim from us. For purchases under £100, the chargeback scheme may help.

6. Missing payments

If you miss a payment, a late payment fee applies and we may report it to credit reference agencies. Missing payments can affect your ability to get credit in the future. If you are struggling to pay, contact us as early as possible; free, impartial debt advice is available from MoneyHelper and StepChange.

7. Cancelling the agreement

You have 14 days from the date you receive the agreement to withdraw without giving a reason. You must repay any credit used, plus daily interest, within 30 days of notifying us. After that period you may close the account at any time by repaying the balance in full.
