2. Fraud and scam protection

If you are the victim of an authorised push payment (APP) scam, report it to us as soon as possible. Under the Payment Systems Regulator's reimbursement rules, we will reimburse eligible Faster Payments and CHAPS scam losses of up to **£85,000** within 5 working days of a valid claim, unless we find you acted fraudulently or with gross negligence. You must report the scam within 13 months of the final payment.

We will never ask you to move money to a 'safe account', and we will never ask for your full PIN, password or one-time passcode by phone, email or text. If someone does, hang up and call us on the number on the back of your card.

3. How to make a complaint

You can complain by phone on 0800 000 5678, in writing to Customer Resolution, Harborview Bank, PO Box 100, Southampton SO1 0AA, through the app, or at any branch. We will send a written acknowledgement within 3 working days. We aim to resolve complaints within 3 working days where we can; otherwise you will receive a final response within **8 weeks**.

If you are not satisfied with our final response, or we have not responded within 8 weeks, you can take your complaint to the Financial Ombudsman Service within 6 months of the date of our final response.

4. Customer vulnerability and support

If your circumstances make it harder for you to manage your money, for example because of illness, bereavement, a change in income or a disability, tell us. We can offer extra support, including large-print or braille statements, a trusted third party to speak on your behalf, and flexible payment arrangements.

5. Bereavement

When a customer dies, we will freeze the account once notified and ask for a copy of the death certificate. We will not charge fees or interest on the account from the date of death. For estates under £50,000 we may release funds without a grant of probate, subject to our internal limits and the executor providing proof of identity.
